Description

TF-2215 Packing Cubes, set of bags travel

The **TF-2215 Packing Cubes** are designed to simplify packing and organizing gear for travel adventures or field missions. Available in three different sizes, these cubes make it easy to separate clothing, equipment, and essentials in suitcases, backpacks, or travel packs. Their lightweight construction and ripstop material ensure durability without adding unnecessary weight.

Key Features

- **Ripstop Fabric:** Robust polyester ripstop resists tears and abrasion.
- **Lightweight & Travel-Friendly:** Easy to carry, making them ideal for travel.
- **Multiple Sizes:** Separate and organize sweaters, pants, and other gear by size.
- **Mesh Top Opening:** Instantly see the contents of each cube—no need to unzip everything.
- **Easy Compression:** Perfect for rolling or compressing clothes to maximize space.
