Description

Tormek T-4 Bushcraft - Sharpen Your Axes and Knives for Hunting and Outdoor Activities

With the **Tormek T-4 Bushcraft**, you can sharpen your knives and axes to make them sharper than when they were new and ready for hunting, outdoor activities, and adventures. This versatile sharpening machine is easy to use, allowing you to choose the perfect angle based on how you plan to use your tools. The compact design makes it easy to carry, whether you're heading to a hunting lodge, cabin, or mountain retreat.

Why Choose the Tormek T-4 Bushcraft?

- **Equipped with KJ-45 and AX-40 Jigs:** Keep your tools sharp and ready with the Centering Knife Jig and Axe Jig.
- **Compact Design:** The green, compact water-cooled sharpening system is perfect for all your edge tools.
- **Water-Cooled Sharpening:** Water-cooling eliminates the risk of overheating your steel during sharpening.
- **Precise Sharpening:** Unbeatable precision is achieved with the universal support and patented mounts.
- **Efficient Grindstone:** The adjustable grindstone offers properties from 220 to 1000 grit, allowing for both coarse and fine sharpening.
- **Sturdy Construction:** A durable cast zinc top and maintenance-free industrial motor ensure minimal speed loss under heavy load.
- **8-Year Warranty:** 5 years + 3 years warranty upon registration online

Sharpening Versatility

The Tormek T-4 Bushcraft allows you to sharpen a variety of outdoor knives, hunting knives, fishing knives, and axes. The included SG-200 Original Grindstone provides a wide range of sharpening properties, from coarse 220 grit to fine 1000 grit, making it easy to restore damaged tools or touch up slightly dull ones. Finish off your sharpening with the leather honing wheel to polish the bevel and remove burrs, leaving your tool razor-sharp.
