Description

Tormek T-4 Original Compact Water-Cooled Sharpening System for All Edge Tools

The **Tormek T-4 Original** is a high-quality, compact water-cooled sharpening system perfect for home use, hobbyists, or professionals with limited space. This versatile machine sharpens a wide range of edge tools, including knives, scissors, lawnmower blades, and chisels. The universal support ensures precision sharpening, and the leather honing wheel provides a razor-sharp edge. With Tormek's jig system, your tools will be sharper than when they were new.

Why Choose the Tormek T-4 Original?

- **Water-Cooled Sharpening:** Water-cooled sharpening system with no risk of overheating your tools.
- **Unbeatable Precision:** Achieve exact replication of your tools' edge with the universal support and patented mounts.
- **Adjustable Grindstone:** The grindstone properties can be adjusted from 220 to 1000 grit using the included Stone Grader.
- **Durable Construction:** Cast zinc top and industrial AC motor ensure durability and stable performance, even under heavy load.
- **8-Year Warranty:** 5 years standard warranty, extended to 8 years upon registration online (for private use).
- **Compact Design:** A smaller yet precise version of Tormek's larger
