Description

Travellunch Vegetarian Meal Pack | 6 × 125 g Freeze-Dried Dishes

Travel light without sacrificing flavour or nutrition. This combo pack contains **six different vegetarian Travellunch meals**, each produced from carefully controlled, freeze-dried ingredients. The pouches weigh just 125 g but re-hydrate to a hearty portion for one adult (or two children) and keep **up to 2 years** without refrigeration—ideal for trekking, expeditions, disaster preparedness, or a quick hot meal at the office.

Why freeze-dried?

- **Lighter backpack** - only water is removed, nutrients and taste remain.
- **Long shelf life** - vacuum-packed under nitrogen to stop spoilage.
- **Fast preparation** - add boiling water, stir, close the zip and wait 5-10 min.
