Description

The Under Armour ColdGear Infrared Balaclava is a lightweight, breathable, and versatile solution for full-face protection in cold weather. Designed with advanced technology and comfort in mind, it is perfect for outdoor activities or everyday use.

Key Features

- **ColdGear® Infrared Technology:** Features a soft, thermally conductive interior that absorbs and retains body heat for optimal warmth.
- **Lightweight and Breathable:** Thin and comfortable, ensuring easy wear without bulk.
- **Full Face and Neck Protection:** Provides complete coverage that extends over the neck and can be converted into a neck warmer for versatility.
- **Enhanced Breathability:** Perforations around the mouth allow for improved airflow.
- **Smooth Comfort:** Flatlock seams ensure a chafe-free experience,
