## Description

HOLSTER is a great Italian brand whose mission is to be the most efficient in the manufacture and distribution of holsters and their accessories for Defence, the Army and Sports Shooting with the desire to satisfy users and help them in their difficult daily missions. Their products are used and approved by a large number of Special Units in Europe.

VEGA-HOLSTER has designed two safety mechanisms "Push Down" and "Automatic Push and Go" for maximum safety even in emergency use. Complete protection of the weapon with interior coating also favorable for silent use. High polymer resistance. Compatible with all belts/belts maximum 50 mm.

### Features:

- Double retention PULL SIDE system is an ingenious anti-pull system, locking the trigger guard truly traps the weapon when it is placed in the holster
- Safety tab removable and pivoting can block the pusher and thus offer additional security
