Description

Large Pocket Knife with Lock Blade

We developed the Hunter Pro pocket knife especially for hunters who demanded a pared-down knife of a higher caliber. The large blade is incredibly strong and easily accessible with one hand, and the ergonomic shape makes for a very stable grip. It looks great in its matching nylon belt pouch, but it looks even better when it's in your hand getting the job done.

Key features

- The go-to tool for dressing game on your hunting expeditions
- Swiss made pocket knife with 2 functions and ergonomically designed scales
- Includes a large, extra-robust lock blade for one hand and a **nylon belt pouch**
