Description

The Ranger Grip 61 is always ready to support you in everything you do. Its large locking blade features a thumbhole so it can be opened with just one hand; and its dual density scales ensure excellent grip as you get to work. Like all of the knives in the Ranger series, it's made for skilled craftsmen and tested by professionals.

Key features

- The perfect pocket knife for stripping wire and opening bottles in the outdoors
- Swiss made pocket knife with 11 functions and two-component scales for outstanding grip
- Includes a large lock blade for one hand

Brand country - Switzerland.
