Description

As a modern hunting knife, the Orion has already made many friends due to its practicality. As a true collector, hunting, and outdoor knife, the damascus version features a damascus blade in the "Ladder" pattern, which harmonizes exceedingly well with the selected ebony scales. The Orion damascus is shipped with a premium leather sheath and certificate. A true temptation for all friends of this exclusive blade material.

Viper

Viper from Maniago in Italy is famous for its Gentleman pocket knives made from the best materials, surprises also with a range of tactical folders, combat and hunting knives. A combination of traditional handwork up to the highest and latest CNC techniques. Viper offers a big variety on special skills in using different kinds of materials such as the advanced editing of carbon as handle scales. We from Boker were very impressed by the synthesis of the harmonic tradition and high tech. The company has been growing for 140 years now.
