Description

Vipole CREEK DLX Trekking Poles

The Vipole CREEK DLX poles combine innovative Italian design with advanced materials to provide trekkers with outstanding balance, comfort, and reliability. Made from Alu 7075 and featuring Thin Shaft technology (12/14/16 mm), these poles are lightweight, durable, and ergonomically optimized for trekking across diverse terrains.

Key Features & Benefits

- **Alu 7075 Shaft:** Anodized, aeronautic-grade aluminum alloy offering high strength, corrosion resistance, and eco-friendliness (fully recyclable).
- **Thin Shaft (12/14/16 mm):** Reduces swing effect and wind resistance, providing lighter, better-balanced poles.
- **Carbide Tip with Silent Tip:** Enhances grip on asphalt or tile, absorbs vibration, and minimizes noise.
- **Interchangeable Baskets & Tips:** Includes 54 mm and 88 mm baskets, plus a rubber round trekking tip to adapt to varied terrains.
- **RoundHead EVA Grip:** Mid-size handle design ensures a relaxing top-hold on flat surfaces and secure grip on steep slopes.
- **Automatic PLUME Strap:** Seamless, high-resistance polyester strap that's soft, breathable, and saves 9 g/pair compared to standard straps.
- **Twistlock + Quicklock Systems:**

- **Twistlock:** Unique double-expander mechanism for enduring locking performance.
- **Quicklock:** Glove-friendly lever for swift length adjustments, perfect for alpine or winter use.
- **Deluxe Pack:** Comes with a reinforced 600D Nylon carry bag (with PU tear-resistant layer).
- **Accessories:** rubber pad, trekking basket, snow basket, carry bag.

Technical Details

Feature	Specification
Shaft	Alu 7075 (12/14/16 mm)
Tip	Carbide tip with Silent Tip
Baskets	54 mm & 88 mm included
Rubber Tip	Trekking round tip (included)
Grip	Mid-size RoundHead EVA grip
Strap	Automatic PLUME strap (lightweight, seamless polyester)
Locking Mechanisms	Twistlock + Quicklock
Weight (per pole)	~239 g

Why Choose Vipole?

Vipole's passion for trekking poles stems from founder **Nicola Vidale**, who merges anatomical and physiological expertise with a new construction method. Every product reflects Italian design, specialized technical know-how, and high-caliber materials. Vipole's commitment to research and innovation led to the development of the *Nordic Power* collection, demonstrating an ever-present focus on muscle strengthening and advanced technology. From standard aluminum to premium carbon, all Vipole poles incorporate proprietary security features at their core.
