Description

Vipole® TRAVELLER Carbon Pop-Up Poles - Folding Nordic-Walking Pair

TRAVELLER Carbon is the go-anywhere pole set for *travel, nordic-walking, trail running or fast hiking*. Each pole collapses to a pocket-friendly **34 cm**, yet expands to **110-130 cm** via the *Quick-Lock* clamp. Built from **100 % carbon-fibre**, they tip the scale at just **196 g** each, while delivering superb vibration damping and zero corrosion.

Why you'll love it

- **Pop-Up folding** - five sections snap together in seconds; stows in carry-on luggage.
- **Quick-Lock** lever lets you fine-tune length even with gloves on.
- **Top-Click® cork grip** & **Nordic Power** reflective strap: quick-release, breathable and glove-friendly.
- **Thin-Shaft 12/14/16 mm** tubes mute swing weight for effortless cadence.
- **Tungsten-carbide tip** + Ø 32 mm basket + Nordic rubber boot included.
- Delivered as a pair with *deluxe padded stuff-sack*.
- Hand-built in Italy - tested by mountain pros in the Venetian Alps.

Pop-Up explained

The Pop-Up mechanism combines the *compactness of a Z-fold pole* with the *versatility of a telescopic*: snap the lower sections together, pull until the auto-lock clicks, then micro-adjust length via the lever. Perfect when you need minimal pack size *and* variable height – from airport to alpine ridge.

About Vipole

From its workshop near Monte Grappa, **Vipole** blends three decades of biomechanical expertise with pure Italian design. Every pole uses recyclable materials and proprietary safety solutions – rigorously field-tested by guides before production.
