Description

Walkstool Basic comes in two different sitting heights - 50 cm and 60 cm (20 in and 24 in). The seat is made of black polyester and is app. 20% bigger in size than a normal seat for a three legged stool. The legs are grey to match the seat.

Walkstool Basic has a similar light weight construction as the Walkstool Comfort models, including telescopic legs in aluminum. It is manufactured in China with a quality high enough for most people to use it for many years.

Walkstool is the only three legged telescopic stool in the world with patents and trademark protections.

Made in China.
