Description

The Laser Cut Frag Grenade Pouch from Warrior Assault Systems is designed to fit one hand grenade, which is held in place via bungee cord. The pouch is made from a combination of dual-layer Mil-Spec rubber webbing and laminate for a strong, compact design. The bag features a closure flap which closes with a quick release buckle.

The laser cut material is made of high quality composite laminate material. All threads are resistant to mildew, UV light, water, heat and cold. All materials used have the lowest infrared values (99.8%) and are manufactured to US military specifications in the USA.

Details:

- Closure tab with quick release fastener.
- Side elastic straps for compression and secure fit.
- Laser Cut PALS attachment loops for MOLLE system (25 mm).
- IRR coating to reduce IR signature.
- Dimensions: approx. 10 x 8 x 6 cm
- Weight: approx. 72 g.

Brand country - Great Britain.
