Description

Case for containing cleaning utensils was designed to conform the larger range bags. No matter, at home or on the range, this is a dedicated cleaning kit pocket with a bespoke organizer for cleaning rod, tips, cleaning rags, oil bottle, tools, spares, and all essential you-name-it. The main space has been separated into two organizers: one fixed (zippered mesh pockets and elastic loops) and one customizable. Stiffened bottom of the Service Case is covered in contrast-colored fabric, to easy find the small parts that fell in. Additionally there's a dish for handgun and rifle parts dip-cleaning, carried under the case, in shock-cord loops. We have used feedback from many firearms professionals while designing this case.

Features:

- Two carry handles
- Velcro ID panel
- External zippered pocket
- Fixed internal organizer (two zippered mesh pockets, six elastic ribbon loops)
- Detachable organizers with tools, brushes and cleaning rods (two
