Description

Westcott Plastic Ruler 15 cm

Westcott Plastic Ruler 15 cm is a flexible and durable measuring tool designed for precision, comfort, and long-lasting use. Made from unbreakable clear plastic, this compact ruler ensures accurate results while allowing full visibility of the surface beneath your work. Ideal for students, teachers, designers, and professionals who value quality and precision in their daily tasks.

Aim of the Product

To provide a reliable and easy-to-use measuring solution that combines precision, portability, and durability. The ruler is designed for school, office, and technical use, ensuring accurate measurements in both metric and imperial units.

ORDER CONFIRMATION

- Students and teachers in classrooms
- Office workers and architects
- Artists, designers, and illustrators
- Home users needing compact measuring tools

Product Use

The **Westcott 15 cm Plastic Ruler** is a dual-scale measuring tool with **centimeter and inch markings** on opposite sides for versatile measurement. The **transparent body** makes it easy to align with drawings, documents, or projects for enhanced precision. Its **compact and slim design** fits easily into pencil cases or bags, making it a perfect everyday accessory. The built-in **hanging hole** allows convenient storage on hooks or boards. Each ruler comes **individually wrapped** in a protective plastic sleeve.

Key Features

- **Durable, unbreakable plastic construction** - ensures long life even with frequent use
- **Dual scale:** inches on one side, centimeters on the other
- **Transparent design** - allows you to see the surface underneath for accurate positioning
- **Compact 15 cm size** - fits in school bags, desk drawers, or drawing kits
- **Pre-drilled hanging hole** for easy storage
- **Individually packaged** - hygienic and protected during transport
