Description

Work Sharp Blade Grinding Attachment for Ken Onion Edition Knife & Tool Sharpener Mk.2™

Sharpen Like a Pro

Elevate your sharpening experience with the Blade Grinding Attachment for the Ken Onion Edition Knife & Tool Sharpener Mk.2™ (Ken Onion Mk.2 sharpener not included). This attachment expands your sharpening system, providing more control on every knife you sharpen with horizontal benchtop sharpening. Featuring larger 1" x 18" belts, fully adjustable edge angles from 10° to 35°, and three convex edge profile settings, it gives you the flexibility to create the exact edge you want on your knives. Engineered with professional results in mind, this attachment makes achieving a sharp, consistent edge easy. Two reference plates allow for precise angle maintenance, offering a touchless sharpening experience that's safe for even your most prized blades. Developed in collaboration with knife-making legend Ken Onion.

Product Specifications:

- **Edge Angles:** Adjustable from 10° to 35°
- **Weight:** 953 g
