## Description

The Work Sharp® Handheld Pivot PRO Knife & Tool Sharpener™ quickly and easily restores factory sharpness to knives and a wide range of edge tools. Convex-Carbide™ sharpening blades quickly restore a sharp edge; while the fine grit ceramic rods hone a knife edge to factory sharp results. Pivot-Response™ sharpening blades follow the curve of the blade when sharpening making it easier and more consistent. Includes two additional dedicated sharpening modules, one for fine edge lawn & garden tools and another for scissors and shears. Medium grit diamond plate provides the perfect solution for sharpening a wide range of blades, including axes. Handheld design is effective for use both on a work bench or counter-top and out in the yard or at camp. Scissor and Shear sharpener™ can be removed from handle for convenient use where and when you need it. Sharpens knives, scissors, garden tools, pruners, shears and more.
